Major Strengths

Resources

Client Speak:

*“We have known management team of *i-Gen* for a long period of time and find them to be very talented. They seek challenges and do not hesitate to work in unknown areas. Their ability to understand requirements and provide the deliverables is highly appreciated. We are extremely happy with their value addition and our association is going to be long term.” – Umakanth – Director – Roshi Tech Inc. US.*

Values

All resources at iGen are trained in adopting Client Centric approach. We value customer needs and work towards meeting them.
